NEWSLETTER 76 - 15th June 2020

Dear Readers,

Welcome to a new edition of our newsletter!

1. COVID-19 tax relief

Executive Order No. 1/2020 dated 12th June 2020 (please find an English translation <u>on our</u> <u>homepage</u>) - to be read in conjunction with paragraph 2.1.5. ("fiscal stimulus") of the <u>COVID-19</u> <u>Economic Relief Plan</u> - announces several tax reliefs to ease the burden wrought by the pandemic on businesses. The announcement is somewhat cryptic, but we understand that it amounts to the following:

- (a) (Corporate) income tax credit in the amount of 10% of the salaries above a certain level (level still to be determined) paid in 2019/20;
- (b) 125% of the salaries above a certain level (level still to be determined) paid in 2019/20 are deductible as business expenses from the (corporate) income tax base;
- (c) (corporate) income tax credit in the amount of 10% of the value of the fixed assets acquired in 2019/20;
- (d) first year depreciation of fixed assets acquired in 2019/20 is increased by the factor 1.25.

Eligible businesses and procedures are still to be determined by the Ministry of Planning, Finance and Industry.
