

## LINCOLN LEGAL SERVICES (MYANMAR) LIMITED

NEWSLETTER 83 - 15<sup>th</sup> October 2020

Dear Readers,

**“Swiss Challenge” tender for the development of an industrial park in Yangon’s “New City”**

This is to inform you that a tender was put out today for the development of an industrial park with essential ancillary infrastructure within the Yangon New City project. The originally massive project was broken down into several parts with the bidding for the first part being managed by consulting firm Roland Berger.

Please download the expression of interest form from the [website of the Yangon City Development Committee \(YCDC\)](#). Expressions of interest have to be submitted by 3 pm on 22nd October 2020.

Part of the announcement reads:

*Yangon City Development Committee under the Yangon Region Government of the Republic of the Union of Myanmar has received an **unsolicited proposal to develop an Industrial Park with essential ancillary infrastructure in New Urban Development of Yangon City.** (The proposal to develop this Industrial park is a portion of a larger proposal which has been unbundled.)*

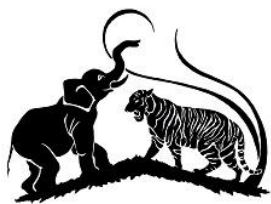

*The proposed project includes both public works and concession of infrastructure. Under public works, proposed construction projects include a Yangon River Bridge, municipal roads and municipal infrastructure for resettlement areas. For concession of infrastructure, an Industrial Park, water treatment plant, wastewater treatment plant, power plant, and commercial and residential land area have been proposed.*

*The Committee wishes to invite companies (from any country) to participate in this Swiss Challenge tender process. The winning bidder (if not the original proponent) will need to pay a reimbursement to the original proponent for its proprietary information included in the RfP (further details on size of reimbursement will be disclosed during the Request for Proposal (RfP) stage).*

We hope that you found this information useful.
