Announcement to inform the public

The Union will provide subsidies based on the amount of wages/salary income remitted by expatriate citizens.

The Union lauds expatriate Myanmar citizens who are looking for foreign currency for the Union. With effect from 1 November 2022, the Union will therefore provide MMK 30 per USD (or the equivalent in another foreign currency) as an additional payment for the remittance from abroad into the Union of wages/salary income earned in foreign currency by Myanmar citizens through banks licensed to deal in foreign currency, and this subsidy will be added immediately on the day on which the money is withdrawn.
